VOL. V. RALEIGH, N. C., MONDAY EVENING, JULY 18, 1870. NO. 283

The Daily Sentinel.

JOSIAH TURNER, Jr., EDITOR.

GEN. LEACH.

Gen. Leach spoke to a crowd of about three hundred persons here on last Thursday. His speech was a crushing reply to the speeches made on the day before by Gen. Scott and his body guard, and those who heard the address of both days were not astonished that Phillips and Scott were trying to worm through the campaign without meeting Leach. It was a perfect slaughter of the gentlemen.

He commenced by telling his audience that he had on three different occasions made propositions to Gen. Scott to make arrangements for them to stump the district together, but that Scott had made various excuses for his refusal to do so—He read a letter from Gen Scott, in answer to one of his own asking that some agreement be made by which they could canvass together and discuss the issues before the people. Scott in his letter declined to enter into any arrangement, saying that Mr. Phillips had requested him to get up a series of "Mass Meeting in the district, and that until after these meetings were over he could not meet him but, if he would wait until then they might probably come to some agreement. Leach said that as the time was short he did not feel disposed to sit down and wait until Scott got through with his "Mass Meetings," but had made his appointments, and would be happy to divide time with Gen. Scott at any or all of them.

Gen. Leach completely vindicated himself and party from every charge brought by Scott and Phillips, and then he charged home on them, and if ever a set of men received a castigation that was as severe as it was deserved the leaders of the Republican party did.

It was a speech full of triumph and encouragement to the Conservative party.—*Western Sentinel.*

One of our Republican friends in South Fork township informs us that Sheriff Masten instructed Jonas Spach, the constable of that township, "not to collect the railroad tax for a while yet." It is understood that it is not to be collected until *after the election.* The "tycoon" is, as the good book says, "wise in his generation." He don't want to stir up the bile of our honest farmers until the election is over, for it might cost the radical party a few votes. After the election, he will not care a continental cent, but will come down on the people for all the back taxes. And they will have to be paid. No "Homestead" exemption for *them.* As Gen. Leach truly declared, the radical party now in power in this State wants money; they have cleaned out the Treasury, squandered every dollar upon which they could lay their hands, and now the tax payers will be compelled to face the coming music. Lands, stock, crops, household furniture and even wearing apparel can be seized upon to pay those radical taxes, and there will be no such thing as getting out of it; unless, indeed, we can manage to elect a Conservative legislature, which will examine with a critical eye into the proceedings and appropriations of its predecessor, and wipe out every dollar of our State indebtedness that has been incurred by error or fraud. *That* will bring the taxes down, and the people must look to it that they send men, pledged to such action, to Raleigh.—*People's Press, (Salem.)*

PRESS OF THE UNION INVITED TO TEXAS.—The Texas State Press Association in convention at Houston, the other day, adopted the following:

Whereas, We, in common with all Texans, are anxious to correct such erroneous impressions as may obtain abroad regarding our State and our people. And whereas the Press is the recognized medium through which error can be most promptly and successfully met and refuted, therefore,

Resolved. That we hereby invite the members of the Press throughout the United States to meet us at the city of Houston, the 15th day of November, next, to travel with us over our public thoroughfares, visit our towns and cities, view our beautiful country, become acquainted with our people and partake of our hospitalities.

Resolved, That the directors of this Association are hereby charged with the duty of making the necessary arrangements.

Resolved, That the papers throughout the United States are hereby requested to copy and assist in giving circulation to these resolutions.

COLERIDGE AS A PLAGIARIST.—All readers of Coleridge will remember his noble ode to Mont Blanc, beginning with the line—

"Hast thou a charm to stay the morning sun?"

Until this time Coleridge has been credited with this poem; but now there appears a writer in Dwight's *Journal of Music* who gives a translation of a poem by Frederike Brun. The translator appends a note, in which he remarks that "it is very evident that Coleridge got the best part of his hymn to Mont Blanc from the piece translated. His friend who edited the *Table Talk* admits that he was largely indebted to it, although excusing him from the charge of plagiarism on the somewhat singular ground that the obligation is too evident to be concealed."

A CHIP OF THE OLD BLOCK.—The New York *Sun*, (Radical authority,) of a late date, says:

Walter Butler, a nephew of the General has been captured in Yorkville at the residence of his affianced. It was charged that he had stolen $68 from Miss Leahy, of No. 90 West Houston street. Butler attempted to cut his throat before he was taken from the house.

"WHAT'S IN A NAME."—Miss Mary Custis Lee, daughter of Gen. R E Lee, who has been in this city as a guest of Isaac H. Kean, Esq., was on the balcony on 'change yesterday morning, the exposure of all eyes. As her presence became known the general respect for his name was unmistakably shown in the desire of all to catch a glimpse of the daughter of one whose achievements have created so profound a sensation in the world.—*St. Louis Times.*

A married gentleman, every time he met the father of his wife, complained to him of the ugly temper and disposition of his daughter. At last, upon one occasion, becoming weary of the grumbling in his son-in-law, the old gentleman exclaimed: "You are right; she is an impertinent jade; and if I hear any more complaints of her I will disinherit her," The husband made no more complaints.

WALTHAM

WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the *real* value of these timekeepers.

More than 450 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which across testing by the most skillful artizans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in positions of the United States where watchmakers do not abound, watches with the above mention d improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co., - - - Waltham, Mass.
Aims Watch Co. - - - - - Waltham, Mass.
American Watch Co.,
Crescent St. - - - - - Waltham, Mass.

HOLDEN'S ARMY, WHAT IT IS!

During the late war, Mr. Holden as editor of the *Standard* newspaper, made loud and extravagant complaints about the excess of arbitrary and illegal military power. He then professed to be eminently conservative and the unchangeable friend of liberty and civil right. He professed to be unalterably opposed to military usurpation and despotism. We confess that we thought there was some ground for his complaints, notwithstanding the country was then engaged in a tremendous war.—We sympathized with the love of civil liberty he then *professed*. He cried out for *habeas corpus*, that was the burden of his editorials from day to day and week to week. How does he stand now? Through the misfortunes, accidents, position and crimes growing out of the late war, and by means of his own unprincipled and profligate actions whereby he has lost all the respect that all respectable and good men ever had for him, he is now Governor of the State, and whatever may be said of the lawless exercise of military power during the war, we here assert, without fear of successful contradiction, that during the whole war, no such arbitrary and despotic military powers were exercised or sought to be exercised as Gov. Holden *now*, in a time of profound peace, seeks to exercise, and that too, without any sanction, whatever, of law. He usurps the power and seeks to establish in the State, while there is peace, *but an election* by which he fears he may be turned out of power for his crimes,—a *military despotism*, and that, too, without the shadow of legal authority to sustain his unheard-of action. His action is not only monstrous, it seeks to establish a state of civil war, and is without a parallel in American history.

Let us see what he has done. He has gone out of the State and employed an ignorant and illiterate desperado by the name of Kirk, and brought him here and empowered him to recruit an army of a thousand men at the expense of the State, to execute his unlawful and lawless orders; this man Kirk has gathered together about five hundred men, who are ready and willing to execute any order, no matter what, that Kirk may make, and Kirk is ready to execute any order the Governor may issue to him,—the Governor says so and Kirk says so,—these men have been armed, equipped and clothed and fed at the expense of the State to the amount of tens of thousands of dollars, and they are to-day executing Holden's lawless and desperate orders. This military organization is not only made without the sanction of law, but in a time of profound peace. There is not a single instance reported of resistance of the civil authority, on the contrary, the Judges and officers say, there never was a time when the people everywhere yielded a more ready obedience to the officers and process of law. There was not a shadow of ground or necessity for the exercise of even a lawful military authority, and we know that Judges and office holders of the Republican party have protested against the lawless usurpation of the Governor, they are astounded at his action, nevertheless he persists in his course of crime and outrage.

Kirk, by order of the Governor, has gone to Alamance county and there established a military camp, and has arrested numbers of the best and most respectable citizens of that county, without any legal process or even any charge against them, and they are now held and detained by him under orders from Holden, and he declares his purpose to disregard any writ of *habeas corpus* or other process that may be issued to or against him by the Judges of the State; this he does by order of the Governor, and a conflict of force between the Executive and Judicial branches of the State government is imminent.

James E. Boyd, a highly respectable citizen, a lawyer and a candidate for the Legislature, while he was about his lawful business, was arrested on Friday morning last by an armed guard of Kirk's men and carried off to his headquarters without letting him see his wife or any friend, although his wife was then quite ill; there was no warrant or any legal precept for his arrest, there was no charge made against him; he was arrested by order of Holden, and by his order Kirk would not allow anybody to see Mr. Boyd, except in the presence of himself or one of his officers. This we can prove. Mr. Moore, Mr. Hunt, Mr. Scott and Mr. Ireland, all respectable citizens, were arrested the same day under like circumstances; there was no legal precept and no charge made against them, nothing but Holden's order! O her similar arrests have been made, but we have not yet received the names of the other persons, and it is said many other arrests will be made. What is to be done with these men, they do not know; they can get no satisfaction, and Holden expressly refused, at the request of a leading Republican, to let the gentlemen named go on bail.

In this state of things, Chief Justice Pearson on the application of Judge Merrimon and Mr. Parker, granted writs of *Habeas Corpus* for the gentlemen above named on Saturday last, but Kirk has said positively that he would not obey the writs and he is backed by the Governor.—It remains to be seen, what Judge Pearson will do; he acted with great firmness and boldness in similar matters heretofore, he is not afraid if he has the courage he used to have, and we feel confident that he will do his duty at all hazards and every cost, and we feel so confident that the people of all parties will sustain him, for the handful of violent "*radicals*" who sustain the Governor are contemptible in numbers and all things else.

We said this military organization and movement had no sanction of law, we repeat the declaration and go further and say, that it is in express violation of the Constitution and laws of this State and the United States. If there were any act of the Legislature authorizing it, such act would be void under the Constitutions of this State and the United States, but there is no such act and there is no shadow of pretence of authority for it. We do not understand that Governor Holden insists that he has legal authority for his action. In his order to raise the force, he does not recite or refer to any act of the Legislature authorizing his action and this is usual in such orders.

This military force is not *militia*, it does not purport to be, it is a *recruited* and *mercenary* force, Kirk and many of his men are from the State of Tennessee and many of them are boys and men not subject to do militia duty. The Constitution of the State does not provide for any military organization except militia, and the Constitution of the United States forbids the States to have any military organizations other than militia without the sanction of Congress, and Congress has not sanctioned Holden's army in any way.

Then in a legal view, Holden's army is not only unauthorized by law, but it is an organized band of *rioters* with Gov. Holden and all his aiders and abettors at the head of it, and as such they are liable to *indictment*, they are not only liable to be indicted as rioters, but Gov. Holden and Kirk and his men are liable to be indicted *every* time they arrest a citizen by order of Holden or any one else with his sanction.—They, including Holden, are liable to be sued in a civil action at the instance of any body arrested, for trespass and false imprisonment. It will be the duty of the Grand Juries of the State to present these *rioters* and any one injured may apply to a Justice of the Peace for a warrant or to a Judge for a Bench warrant, and have the offenders bound to appear at the proper Court and answer criminally. We say this is the law. We know what we say, and if Gov. Holden doubts it, let him go and employ a lawyer who knows the law, and he will tell him that he and his army are liable as we have above suggested.

It may be said that Kirk and his men are irresponsible—they can be held to bail.—But Gov. Holden is worth something, and his aiders and advisers are worth something, and they can be made to answer civilly and criminally.

There is another thing: This armed movement has cost tens of thousands of dollars. The money has been drawn from the Treasury. We are astonished that the Treasurer has recognized the Governor's warrants, for it is said that Mr. Jenkins is ordinarily cautious about paying out money. Now the Treasurer had no right to pay out this money, there is no law authorizing it, and he is *personally responsible* to the State for every dollar he has so paid out. He is worth something, it is said, and his bonds-men are worth something. We know what we say, Treasurer, when we tell you that you are so liable.

We suppose that the Governor and Treasurer anticipated that the Legislature will pass an act justifying this lawless expenditure of money. Whether the Legislature is of one political stripe or another, it will not do so, and the people ought at once to make every candidate whether Republican or Conservative, pledge himself to the people, that he will not in any contingency, vote one cent to pay for this lawless and criminal conduct of the Governor. We learn that in many counties the candidates on both sides are pledging themselves not to vote for any measure looking to the legalization of this expenditure of the people's money. This is right.

The Governor and John Pool and Abbott and Thomas Settle and others, had a special, sinister purpose in view in getting up this lawless armed force. It was gotten up on deliberation to frighten and terrorize over the people and induce them to vote for the Radical *programme*, or to keep away from the polls and not vote at all. This, we know, has been John Pool's policy for months past. The militia would not answer *their purpose*, for in calling out the militia *good men* of all parties would be called out; a mercenary armed force was necessary, and Kirk was the suitable instrument; to use the language of John Pool while here lately, he wanted a "*loyal militia*" he could rely upon. There was and is no necessity for a military force in this State, and Gov. Holden and John Pool know this as well as we, and this whole proceeding is set on foot for the criminal and sinister purpose of preventing a free and fair election. If civil war comes, which God forbid, these graceless scamps won't care a fig, if they escape danger and thereby they can continue in power and to domineer over the people of the State.

We trust the people of all parties will consider of what we have said, and act with becoming firmness and go to the polls and *vote*, and vote for good men who will see that Gov. Holden accounts for his crimes and outrages upon an oppressed people. We do not advise violent measures, but a calm appeal to the peaceful remedies the laws give the people collectively and as individuals. But let these means be used in every case, and though some time may intervene before complete redress will come, it will come by and by. Holden and company may succeed in perpetrating crimes and outrages, but they can be made to answer according to law, and we trust the people, and especially those injured, will see to it, that they do answer in every case.

HILLSBORO, N. C. July 15th 1870.

TO GOVERNOR HOLDEN:—I received, with proper loathing and profound contempt, your telegram asking for the particulars of acts of violence offered to my family by some unknown assassin firing a gun into my house at Mrs. Turner. I was not at home when it occurred. I belive it to have been the act of some member of the secret Jacobinical clubs which your Excellency organized, swearing to and with them to stand up to and defend each other, "through summer's heat and winter's cold," &c., and if you failed, or any of them failed, the penalty was, to be "pierced through the heart."

If I should fail to observe the dignity and moderation of expression which becomes a citizen addressing the Chief Executive of the State, your Excellency may attribute it to anger and indignation, justly aroused by recent acts of outrage to which I and my family have been subjected, rather than to want of civility and common politeness.

Myself and family have been subjected to many threats and several acts of violence, and even assassination has been attempted upon us.

Your Excellency has personal acquaintance with Dennis Hanes, a colored Republican, who has been twice convicted by a Jury of this county, for larceny in breaking into the store of James Parks and stealing shoes therefrom. You are aware that our carpet-bag Judge, Tourgee, set aside the verdict after conviction, and did not require Dennis to give bail for his appearance at Court.

I told Solicitor Bulla, if he did not issue a special capias for the arrest of Dennis Hanes, I would expose him as colluding and conspiring with the Judge for the escape of a villain and thief. The capias was issued, but Dennis disappeared and has not been seen in Orange until the night after the firing into my house.

It is due to Solicitor Bulla to state that he has, always, in my presence, condemned the action of the Judge in setting aside the verdict in this case.

There is another character with whom your Excellency has personal and official acquaintance; I mean John Ledbetter, of Henderson county, convicted and sentenced by Judge Henry to twenty five years in the Penitentiary. You will recollect he reached Raleigh, in charge of the Sheriff of Henderson County, on the 18th day of December last, and on the same day you pardoned and discharged him; assigning as a reason for it, in your report to the General Assembly, that Ledbetter was an idiot and only fourteen years old. Six days after you discharged him he was arrested for stealing and lodged in Orange jail, when he had grown to be a big burly negro fellow, weighing about 180 pounds some twenty or twenty-five years old, and not at all more idiotic than those of his class generally! What a wonderful change in six days if your report be true!

Here he remained six months or more, when he broke jail and made his escape, at the same time releasing some dozen horse thieves, felons &c.

Among these felons released by Ledbetter, was one Bill Hall, who was in jail for an attempt to assassinate Dr. Montgomery on the highway.

For several weeks before the firing into my house, a band of armed negroes were frequently seen about and around my house, armed and with canteens and haversacks, usually ambushed near the road I passed in going to my home. Two of them were discovered by a woman and child, lying in an oat field in sight of my house, one of whom was recognized as John Ledbetter. Bill Hall lives only three miles from me, and Dennis Hanes only one mile.

I will mention another theory believed by some to be the reason of the peril to myself and family. Your Excellency has stated privately in conversation, and publicly in the editorial columns of your organ, the *Standard*, that I was "King of the Ku Klux;" and your organ has also stated that I assassinated Stephens, or caused it to be done. These calumnies and slanders have induced your ignorant brotherhood of the Leagues to seek their revenge upon me and mine, concluding as they might logically do, from the publications in the *Standard*, just mentioned, and your course on a certain memorable occasion before the Mayor in Raleigh, that such acts on their part would be highly pleasing to you. Sometime ago, the Sheriff and posse went in pursuit of Ledbetter and his band, who were seen and fired on, but they escaped capture. You may imagine, Governor, how difficult it must be for a civil officer to capture a felon, who has so many swore brothers, black and white, and some of them in high positions, sworn to "stand by and defend them, through summer's heat and winter's cold," under a penalty, in case of failure, of being "pierced though the heart."

My family has not wanted protection in my absence, since the danger has become so apparent. My neighbors have been vigilant, much so, standing about my house and grounds, at night, although neither I nor my family were aware of it at the time.

The civil law in Orange is ample for the protection of all her citizens. It only needs that offenders be pointed out, to be arrested and punished.

With the strong arm of the civil law to protect me, you may judge of my astonishment when Gen. Clarke, your militia Colonel telegraphed me that a detatchment of twenty men were on their way for the protection of my family, and that the commanding officer was ordered to report to me.

Sure enough, your militia arrived about daybreak, Saturday morning. I informed the General that, as they had been sent for my protection, I would defray all the expense of them from Raleigh and back, if they would return forthwith. I was not willing that the people of Orange should be taxed to feed and pay soldiers for my protection. My proposition was not acceded to, by the General, and I then notified him that if your militia dared to put foot on my premises, enclosed or unenclosed, I would cause the Sheriff to arrest them for a forcible trespass and put them in jail; and if the Sheriff should fail, or be afraid to execute the civil warrant, I would force them off with my musket, after my constitutional and peaceable remedies had failed to abate the nuisance and remove the unlawful assembly.

And now, Governor, having given you all the particulars—more of them, perhaps, than you called for in your telegram—allow me to say, in no spirit of vain boasting, that I teach and inculcate obedience to the Constitution and laws of my country. I know your malignity has no limit except what is placed on it by your cowardice and your fears. You once wrote the President that I was to be "handled at the proper time." You charge that I am the commander of the Ku Klux. If I am, it is your duty to "handle me." Any Sheriff, Marshal, Coroner or Constable, or their deputies, can arrest me on a civil legal process, but your Kirk militia cannot.

I regard them as the unlawful agencies of a secret and Jacobinical club, of which you have been, and are said by some still to be, the President. The common talk of your Jacobinical associates is, that Gov. Graham, Judge Kerr, myself and others, are to be arrested. The arrest of Governor Graham was first talked of in Washington City, it is now the common talk in North Carolina, among the white as well as black members of your leagues. I know not what course Gov. Graham and Judge Kerr may deem it proper to pursue, but for myself, allow me to say, I will not compromise myself by accepting the unnecessary protection of your unlawful militia.

I have not written what I have to inflame the public mind, nor to increase the loathing of the people for your acts and your administration, but because it is meet and proper it should be said, especially at this peculiar crisis, when my life and that of my family are nightly imperilled by a secret Jacobinical association.

I may take occasion hereafter to give you further "particulars," as they may be developed. In the meantime, signing myself, as I am,

Yours in loyalty
and the Constitution,
JOSIAH TURNER, Jr.

MONDAY, July 18th.

The following case was argued to day, to-wit:

F. W. Hilliard and wife *et al* vs. John C. Randolph, *et al* from the County of Chowan. Counsel for Plaintiff, Messrs. Fowle and Badger and Bragg and for Defendant Messrs. Smith and Conigland.

NORTH CAROLINA CONSERVATIVES.—The address of the North Carolina Conservative Executive Committee declares the State government "to be wasteful, extravagant and profuse of the public money, beyond the measure of anything hitherto known in the State; enforcing systems and amounts of taxation most oppressive and burdensome with no returning benefits to the people."

One has only to look at the decline which has taken place in the bonds of that State—from 70 a few years since to their present low figures—to see the truth of these charges. Can there be stronger argument in favor of keeping our own people united in the Conservative party instead of risking new issues and doubtful complications?—*Richmond Whig.*

The election of Judge Warren, the Conservative candidate for the Senate in the district composed of the counties of Hyde and Beaufort, is conceded as sure by all.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. S. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in many cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock Companies*, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premiums, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 3 or more annual premiums.

Up hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates alone*, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this state who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an income *in cash through life, or for a series of years as may afford*.

Circulars giving full explanations and any other information, will be cheerfully furnished. The most liberal arrangements, will be made with first class solicitors, to push the Excelsior forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

GET YOUR TICKETS READY!

Conservatives of Wake, remember that the names of your township's candidates must be on your tickets. It is necessary therefore, for each township to send in a fairly written list of their township candidates, that they may be printed in time. Send the list to George H. Snow, Esq., Chairman of the County Executive Committee, with the number you want, and he will attend to having them printed on the Congressional and County ticket. Don't neglect a day, but attend to it at once.

We are authorized to announce J. Y. Cappell, as candidate for Clerk of House Creek Township at the ensuing election, subject to the decision of a township meeting, should one be called.

The gentlemen composing the Conservative Executive County Committee will meet at the Sentinel office on Wednesday, July 20th at 10 o'clock A. M., for the transaction of important business. Every member is earnestly requested to be present.

GEO. H. SNOW, Ch'm.

Prompt and Reliable.—The late Jno. W. Stephens, State Senator from Caswell, who was found murdered in Yanceyville, in May, was insured in the Brooklyn Life for $10,000. That Company has *already paid the amount* to his widow. This is admirably prompt.

Anniversary.—The third anniversary of Oak City Council, Friends of Temperance, will be observed by the Council, at their Hall, this evening. Addresses will be delivered by members of the order. Those friendly to the cause are invited to attend.

Fine Potatoes.—We are indebted to our friend, Dr. G. W. Blacknall, of Kittrells Springs, for a bushel of the finest Irish potatoes, take them all through, that we ever saw. We have seen some single specimens larger—W. H. Jones & Co. had one larger, on exhibition, last week—but these are uniform in size, large from top to bottom. The Doctor says he has a quantity of the same kind, raised on his farm at Kittrells. They are of the Early Rose species, and are splendid for the table. We suppose he will bring some with him when he comes up to open the Yarborough House, which he will do in a few days. His furniture is already arriving.

We take pleasure in calling special attention to the insurance notice of our enterprising and obliging fellow citizen, W. H. Crow, Esq., we believe he was the first to embark in this enterprise after the close of the late war. Before this period, he was a successful merchant in Petersburg, Va., for 15 or 20 years, and with merited success has prosecuted the life insurance business. Being the first to advertise in the Sentinel and to follow it up *liberally*, is no doubt one, if not the main cause of the Ætna Company having the lead of all others in the State to day. Policies of death losses having been settled in this State and through the Raleigh office amounting to $175,000.00—as certified to us, and the assets of the Company are now over fifteen million of dollars.

We are glad to welcome, again, the old Ætna Fire Company, represented by Mr. Jesse Brown before the war. And the Continental, of New York, is also a first class Company. And with such Companies of high standing in all of our Commercial cities, we bespeak a good share of business in the Fire Companies as well as the Ætna Life.

Steps are being taken to erect a Catholic Church at Halifax.

THE HABEAS CORPUS CASE.

The following is a copy of the papers in the case of the habeas corpus issued by Chief Justice Pearson, to George W. Kirk, on application of counsel for Adolphus W. Moore of Alamance. The writs, and returns thereon, for the other parties arrested are similar.

STATE OF NORTH CAROLINA.

To George W. Kirk, Greeting:—We command you, that the body of Adolphus G. Moore, being confined and detained in your custody as it is said, together with the day and cause of his caption and detention, by whatever name he may be called, you have before me, Richmond M. Pearson, Chief Justice of the Supreme Court of the State aforesaid, at the Chamber of the Supreme Court, in the city of Raleigh, immediately after the receipt of this writ, to do and receive what shall be then and there considered of him in this behalf.

Witness, Richmond M. Pearson, Chief Justice of the Supreme Court, this the 16th day of July, A. D. 1870.
(Signed) R. M. PEARSON, Ch. J. S. C.

RETURN OF THE WRIT.

STATE OF NORTH CAROLINA.

A. C. McAlister makes oath that on Sunday, the 17th of July, A. D. 1870, between the hours of 10 and 11 o'clock, A. M. in the county of Alamance, on the highway leading from Company Shops in said county to Yanceyville, in the county of Caswell, in said State, about nine miles from said Company Shops, he delivered to George W. Kirk, who was at the time apparently in command of a large body of armed men the writ of "*Habeas Corpus*" of which the paper writing hereto attached is a true and perfect copy: that the said George W. Kirk said, on receiving the said writ, and bearing part of the same read to him and learning what the same was, and inspecting the signature to the writ, that he could take no notice of such papers; that they had "played out." That he was acting under orders from Gov. Holden, with instructions to disregard such papers. He further said "take the papers back and tell them that the Court has been appointed to try them, (meaning the men in custody,) that he would surrender them on Gov. Holden's order, but not otherwise unless they sent a sufficient force to whip him and take them (meaning the persons mentioned in the several writs,) away from him. He said to a person appearing to be a subordinate of his "I told you if any such paper came, not to allow them to be brought to me." Affirmant is a citizen of Alamance County and a qualified elector of the State of North Carolina, that he delivered the said writ to said Kirk, at the request of E. S. Parker, Esq., Attorney for petitioner, the Sheriff of Alamance County having been arrested and still being held in custody by said George W. Kirk.
(Signed) A. C. McALLISTER.

Sworn to and subscribed before me this 18th July, A. D. 1870.
W. H BAGLEY, Clerk.

This answer of George W. Kirk, returned on the writ under affidavit of the officer, A. C. McAlister, into whose hands the writ was placed for execution, was read before Chief Justice Pearson to-day at 12 o'clock. The Chief Justice said he would hear counsel as to what further action should be taken, to-morrow morning; but on a suggestion that the parties might be shot before relief could be had, he appointed to hear the matter at 3 o'clock to-day.

Messrs. Battles, Bragg, Merrimon and Parker are the counsel for the petitioners.

At 3 o'clock, the matter came up before Chief Justice Pearson, when His Honor stated he had written to the Governor on the subject and would await his reply, and therefore he postponed the further consideration of the matter until to-morrow morning.

Office of Carolina Life Ins. Co.
No. 42, Madison Street,
Memphis, Tenn., June 29, 1870.

To the Policy holders of the Carolina Life Ins. Co.:

The Board of Directors, at their regular meeting held this day, have declared a *dividend of forty per cent*, upon all policies issued the first year, payable on payment of their next premiums, and applied as originally stated—In cash to those who paid their premiums in cash and in reduction of notes to those who paid their premiums by part note.

It is with pleasure that I can make this announcement to you, as it shows a prosperity not often attained by so young a Company. This has been mainly due to the economical management of the Company, which has been one of the special aims of its managers. It is also due to the rates of interest obtained, which have ruled higher than the basis upon which its premiums are calculated.

The progress of the Company since its organization has far surpassed the anticipations of its Managers, and it is expected that the business of the present year will far exceed what has been done heretofore; this must necessarily increase our accumulations, which are becoming larger every month, and be of good service to the people of the South, where its assets are invested.

With the active co operation of our Policy holders, these results will be obtained.

Very Respectfully,
Your obedient servant,
W. F. BOYLE,
Secretary.

The Holden militia companies in Newbern celebrated the getting of their uniforms on Friday by getting drunk and engaging in a free fight, two police officers attempted to preserve order but they set them a defiance and told them that the civil law could not reach them.

Saturday Night Dispatches.

WASHINGTON.

WASHINGTON, July 16—Revenue to-day $376,600.

The President has appointed Wm W. Bell Collector of Internal Revenue for the 3rd district of Mississippi, and Henry W Bowden, Assessor for the 2nd Virginia district.

The Georgia bill as approved by the President provides that the State of Georgia having complied with the Reconstruction Acts, and the 14th and 15th articles of the amendment to the Constitution of the United States having been ratified in good faith by a legal legislature of said State, it is hereby declared that the State of Georgia is entitled to representation in the Congress of the United States, but nothing in this act contained shall be construed to deprive the people of Georgia of the right to an election for members of the General Assembly of said State, as provided for in the Constitution thereof, and nothing in this, or any other act of Congress shall be construed to affect the term to which any officer has been appointed; or any member of the General Assembly elected as provided by the Constitution of the State of Georgia.

FOREIGN.

BERLIN, July 16—The Government is hourly in receipt of dispatches from all parts of Germany, offering men, money, arms, horses, &c., in support of the national cause, and asserting that no sacrifice that can be made will be deemed too great for the cause of Germany.

The Government recommends Bremen as the port of refuge for German ships.

Lord Lyons, the British minister, is still endeavoring to get his colleagues here to present a collective request for a Congress of the European powers to settle the question between France and Prussia.

PARIS, July 16—Prince Napoleon arrived in Norway yesterday. He received a dispatch from Paris, and will return.

The journals of this morning publish the following statement: "Eight days ago Bismarck sent by special messenger to Count Werther, the ambassador of the Germanic Confederation, an order to make no concession to the French Government. 'Do not be too much impressed,' Bismarck continues, 'we are ready. Prolong the situation, if possible, to the 20th of July.'" The journals argue from this that Prussia means war from the beginning, and sought only to gain time.

The Emperor will leave Paris to-day for the seat of war. The Prince Imperial will accompany him to the field. The Emperor desires this, and the Empress does not object. The military attendants of the Prince are in readiness.

Prince Napoleon, as soon as he arrives from Norway, will be charged with an important mission to Italy.

The journals assert that the French Government, as soon as the result of the vote on the infallibility dogma was known here, signed an order for the recall of the troops from Rome.

The Bourse to-day opened with a declining tendency. Rents 65f. 60c.

Count Benedetti arrived in this city last night coming from Ems instead of from Berlin. He did not receive his passports. He came to give the Emperor verbal information.

Nothing positive has been ascertained yet concerning the alliance between France and Austria. It is reported again to-day that Austria will remain neutral.

Count Werther, the North German Minister, and all the members of his embassy, left Paris yesterday afternoon for Berlin.

The French squadron in the Mediterranean has been doubled. Vice Admiral Dela Gravier in command.

There is great activity at the War Department to-day. A large number of sealed orders have been sent in.

LONDON, July 16—The absolute withdrawal of Prince Leopold is generally credited.

Monday Evening Dispatches.

WASHINGTON.

WASHINGTON, July 18.—The Government will be urged to provide for the transportation under a neutral flag of the Brest and southampton mails, which has been carried by the steamers of the North German, Lloyd, Hamburg and American Company.

FOREIGN.

LONDON, July 18.—Prussian vessels in English ports have discharged their crews and laid up.

The *Times* in an editorial this morning expects to be obliged to chronicle Prussian reverses at first, owing to the superior preparations and efficiency of the French army. Prussia needs at least another fortnight yet to be altogether in readiness.

In another editorial the *Times* says: "France without a shadow of excuse or justification plunges Europe in a war of which no person living may see it end."

The stock market in London and Liverpool is purely nominal. There have been no genuine transactions. The panic arises from the rumor that the Emperor of Russia pronounces in favor of Prussia and mobilizes the Russian army. This rumor paralizes every thing.

ZURICH, July 18.—Switzerland declares for an armed neutrality.

COPENHAGEN, July 18.—The neutrality of Sweden has been officially declared. The Government having previously communicated with France.

PARIS July 18.—France demands a decision from the South German States by noon to-day.

READ AND PONDER.

I never read a dozen pages of medicine in all my life, and of course know nothing about it. But, as I said before, Dr. Hammond is my authority for saying, that any man who smokes such good Cigars, or chews such good Tobacco, as you can find only at PINCK C. HARDIE'S, need have no fear in declining health. But will, on the contrary, improve in health and increase in flesh so long as he continues to use them.

Indeed the authority of such distinguished Physicians as Dr. Hammond is not needed to convince you that I only assert what can be substantiated, by contracting our esteemed fellow citizens, Jno. C. Palmer and Jas. M. Towles, "who never smoke," with such men as my friends Creech on the corner, Maj. Tucker just opposite, Harvey Moore, of the Central, and Simon Hayes, the Livery Stable man, and a host of others I could name, who use my Cigars and Tobacco.

Suffice a word of exhortation; come and see me. Try my goods, and if I don't suit you go further and fare worse.

DUNN'S PATENT COTTON TIE.

WE BEG TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina.

The satisfaction it gave last season wherever used, warrants us in recommending it as the best tie yet introduced. It combines the advantages of great strength, great simplicity, and ease in manipulation, besides the difficulty of taking up the slack of the band in the operation of baling, is entirely curtailed.

We shall have our supply direct from the manufacturer in England, for delivery in July or August, at the lowest market rates.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

Phalon's Vitalia

is for one sole purpose, that of reproducing with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (cash assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 8th Company in new business for the year; in 1861 it was the 5th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after they once begin to pay them at all; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One Hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, INTEREST at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with the General Agents.

PAIN KILLER
PERRY DAVIS' VEGETABLE
1840 1870

This Valuable Family Medicine has been widely and favorably known in our own and foreign countries upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of cholera than any other known remedy, or the most skilful physician. In India, Africa and China, where the dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a sure remedy; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskilful hands. Directions accompany each bottle.

Sold by all Druggists.

Price 25 cts., 50 cts., and $1 per bottle.

A PROCLAMATION

By His Excellency the Governor of North Carolina.

Executive Department of N. C.,

RALEIGH, June 6th, 1870.

WHEREAS, Official information has been received at this Department, that a vacancy exists in the representation from this State in the Congress of the United States, caused by the resignation of Hon. SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar. Dose for dose, it is

Fully equal in every way to Bitter Quinine,

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,

Intermittent Fever,

Chill Fever,

Remittent Fever,

Bilious Fever,

Dumb Ague,

and all the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (as is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poisons, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and PILLS, for use in the family and for the general public.

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest* award in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Places it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word it is unconditionally with ADVANTAGES EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN

THE WORLD !!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

It costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 9th 1865.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and non-injurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Mr. J. L. KITCHIN:

DEAR SIR:—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stocks."
